DIRECTOR'S **MESSAGE**

In 1995 Salt Brook Academy introduced the Science stream for Class XI. The institution is affiliated to the Assam Higher Secondary Council.

The basic aim of the course is to prepare students for various Entrance Examinations. With time there has been a great change in the pattern of these Examinations. Previously, the Entrance examinations were conducted by the state. Presently, these are held by the National Testing Agency (NTA), New Delhi.

To cope up with the present examination pattern we have to bring about certain changes in the process of imparting education. Keeping these changes in mind, we are introducing an Integrated Course along with the General classes in all the respective streams, for those interested in appearing for the NTA Examinations.

Our batch of exclusive teachers are continuously formulating different strategies to meet these challenges. The Arts and Commerce streams comprise of a dedicated group of teachers and have been performing very well till date.

Salt Brook is, was and will always be remembered as an outstanding Institute committed to building efficient and responsible citizens.

We extend our hands to welcome you to Salt Brook Academy and collaborate with us in the task of formulating a set of efficient human resource for the purpose of Nation building.

May God's grace be with us.

ASWINI DOWERAH

Director
Salt Brook Academy
Dibrugarh, Assam

PRINCIPAL'S MESSAGE

Dear Students and Parents,

Welcome to Salt Brook Academy, where we believe in nurturing young minds to reach their fullest potential. As the Principal, I am delighted to extend a warm greeting to all new students joining us in Class XI, whether you're pursuing Science, Arts, or Commerce.

In the vast expanse of time, our age is but a mere blip, and in comparison to the cosmos, we are like dust particles. However, within this fleeting moment, lies immense opportunity and potential for growth and achievement.

At Salt Brook Academy, we emphasize the importance of focus and dedication in pursuing academic excellence. With infinite possibilities awaiting, it's crucial to channelize your energies towards building a solid foundation for your future.

As you embark on this journey, remember that success takes many forms. Whether you choose to explore the depths of scientific inquiry, express yourself through the arts, or navigate the intricacies of commerce, there are endless avenues to carve out your unique path.

I urge each of you to strive for greatness and to leave a positive impact on the world around you. Let your actions speak volumes, and may your endeavours be remembered for their significance and contribution to society.

As you flip through the pages of this brochure, envision the boundless opportunities that lie ahead. Here at Salt Brook Academy, we are committed to providing you with the guidance, support, and resources needed to excel in your academic pursuits and beyond.

Welcome to our vibrant community, where every student is valued, and every dream is encouraged to flourish.

With warm regards,

RANJIT BORUAH

Principal, Salt Brook Academy

Salt Brook has become a hallmark for those students who desire to generalize their potentialities in the perfect direction in the 10 + 2 standard. Getting admitted in this paramount institute in the educational field of Assam is no less than a dream come true. The Academy caters to the need of providing goal oriented education. Individual care is provided to the students to excerpt the best in them. Students have an access to merrymaking and entertainment in a very jovial environment so that the pressure of academics doesn't breed monotony in their lives. It has a very highly qualified and committed group of faculty under whose able guidance the parents/guardians get the splendid opportunity to enable their offspring to flourish. Students of the Academy are able to develop social skills and productive learning as this is a platform where intermingling of students coming from eclectic socio economic background take place.

LIFE

RECOGNISED BOARDING

run by
Faculty Members

A boarding is a home away from home. So providing a homely environment and healthy food to the boarders is the priority of the boarding run by our teachers. The hostel wardens also make it a point to inspire self-discipline, team spirit and leadership skills among the students.

The boardings for both boys and girls are located at a convenient distance from the premises of the academy.

Boarding seats are limited and allotted in order of merit in preference to the students. But ultimate decision is on the guardians to select the boardings as per their preference. So they are kindly urged to discuss the matter with the teachers.

The boarding provides facilities like safe drinking water, 24 hours' power supply and commendable health care.

Evaluation SYSTEM

Conducting of assessments is the most fecund way to judge the progress of the students. The significance of exams is on the rise in today's result oriented world. For this purpose, Academy conducts 3 terminal exams for both the years. On the basis of the course covered up to the respective terminal exam the question papers are set on the NCERT pattern. Besides after the completion of each unit the concerned teacher prepares MCQs to familiarize the students with entrance type MCQs. Moreover, daily practice papers prepared by the teachers of the Academy are supplied to the students for group study which boost the self-confidence as self-learning skills. Along with that every fort night mock tests are also conducted to prepare the students for various entrance examinations.

Academy **FREE SEATS**

With every passing day the cost of living is hiking ceaselessly and it is becoming difficult for the people to meet their ends. Providing quality education to the children becomes impossible to many people. But Salt Brook never allows the people to get shattered to dust. Within its limitations, the academy provides an opportunity to the economically weak meritorious students to materialise their dreams. Salt Brook offers a total of 14 free seats- 10 in science stream, 2 in Arts stream and 2 in commerce stream. Minimum percentage to avail this opportunity is 80. Candidates are selected on the merit basis. The merit of the students selected for the free seats will immediately be verified after the admission and if any anomalies found the student has to forfeit the free seat. Salt Brook bears all the needed expenditures such as College tuition fees, Hostel fees, Books and Uniforms.
